Hi Sherry,

I agree. Please reach out to John Robinson to reschedule. Thank you.

Subject: FW: Tower Standard Technical Update Call and Manager Quarterly Check-In

Michael,

I recommend that we postpone the Tower Standard technical update call and manager call. This is something that we had set up back when we meet last in Lac du Flambeau. John Robinson took the lead to set up the technical level call but I am not certain if anything was done to similarly set up the manager call.

At this point given none of the LDF staff will be available, I think it would be good to postpone. If you agree, I will reach out to John Robinson and others at DNR to postpone both calls.

Sherry

Subject: Tower Standard Technical Update Call and Manager Quarterly Check-In

Sherry,

I just spoke to Kristen Hanson at LDF. A colleague from their department died suddenly over the weekend. Kristen, Dee and Larry will not be available this Thursday (8/25) for our scheduled calls because the services are planned for that day.

I told Kristen that I would get back to her with a recommendation. She mentioned that we could go ahead, but I believe that it would be better to reschedule when they are all available.
